Perinatal Anxiety & Depression Aotearoa 2017 Seminar Series

These seminars provide professional development for those supporting families affected by mental illness related to pregnancy, childbirth and early parenthood. When participants leave each seminar, they will better understand how these topics impact families and have strengthened their knowledge and skills to help improve perinatal outcomes. Register your interest now.

Introduction to Transactional Analysis (TA101)

The TA101 is a general introduction to Transactional Analysis and is open to anyone wishing to learn more about the human condition.

It is also a prerequisite for people wishing to enrol in professional training courses offered by various Transactional Analysis Training Institutes locally, nationally and internationally, that may lead to Certification as a Transactional Analyst.
