Change to:

1. The National Executive shall appoint an Ethics Committee which shall consist of no fewer than eight members of the NZAC, and at least one person from the National Executive. Two members of the committee shall be appointed from Te Roopu Maori. From within this Committee, an Ethics Convenor shall be appointed who shall not participate in Hearings.

Rationale

Amendments throughout NZAC Constitution are made to ensure Te Roopu Māori is consistently referred to as 'Te Roopu Māori'.
Currently Te Roopu Māori is sometimes referred to as "the Māori Roopu" or "National Māori Roopu".
